

NOTICE

Students who did not qualify for the previous examinations due to poor attendance should contact their respective lecturers to complete the continuous assessment/s, and obtain approval by filling the prescribed form available in the faculty website for registration of the examinations in this Semester.

You should fill separate form for each subject you didn't attend in the previous examination/s due to poor attendance, and submit to the relevant department/unit via email on or before 9th December 2020.
