

NOTICE

Attention: 21GES Students

The online form for indicating your specialization preferences is now available. Please submit your **1st, 2nd, and 3rd choices** using the Google Form shared with you.

Deadline: 17 June 2026 (Wednesday) at **11:59 A.M.**
Late submissions will not be accepted.

Before submitting your preferences, please ensure that you satisfy **all prerequisite requirements** specified in the Student Handbook for your preferred specializations.

Please note that submitting preferences does not guarantee selection to a particular specialization. The final decision will be made by the **Faculty Board of the Faculty of Geomatics**.
