

POSON DANSALA

Poson Dansala was a community-oriented religious and cultural event. The event was organized with the intention of reflecting the values of generosity, compassion, unity, and community service associated with Poson festival.

The Dansala provided chickpeas to passers-by, creating an opportunity for students and volunteers to engage in an act of dāna (generosity) while serving the wider community. It also encouraged cooperation, teamwork, and social responsibility among the organizers and volunteers.

BLOOD DONATION PROGRAM

Jeewaka Yathra was a blood donation programme organized on February 2026 at Weralupa Junction, with the aim of contributing to the health and well-being of the community through voluntary blood donation. The programme provided an opportunity for eligible donors to come together and make a valuable contribution towards maintaining an adequate blood supply for patients in need.

The event promoted the importance of voluntary blood donation and encouraged greater awareness of its role in saving lives. It also provided an opportunity for students, staff, and members of the community to

participate in a meaningful healthcare-related community service activity.

MEDICAL EXHIBITION

The Medical Exhibition 26' was held on 6th March 2026 providing an educational and interactive platform to promote maintaining good physical and mental well-being. Through interactive displays, demonstrations, and educational activities, participants were encouraged to learn about medical concepts.

The programme also provided an opportunity for medical students to share their knowledge and communication skills with the school community.

human body, healthy lifestyle practices, and the importance of maintaining good physical and mental well-being. Through interactive displays, demonstrations, and educational activities, participants were encouraged to learn about medical concepts

ISIWARA WASANTHAYA 2026

Isiwara Wasanthaya 2026 was a cultural and recreational event organized by the students of Batch 08 on 9th May 2026 at the grounds of Batuhena Central College to celebrate the Sinhala and Tamil New Year with their peers. The event provided an opportunity for students to come together and enjoy the festive season while participating in traditional New Year rituals and games. The venue was beautifully decorated by the peers, adding to the festive atmosphere, while vibrant cultural performances, including traditional dances and songs, brought the spirit of the New Year to life. Students from Batch 08, together with their senior brothers and sisters, participated enthusiastically throughout the celebrations.

The event encouraged friendship, unity, and teamwork among the students, demonstrating that when people come together with a shared purpose, they can accomplish anything. Through participating together in traditional activities, games, and cultural performances, students strengthened their bonds and created memorable experiences beyond their academic life. Isiwara Wasanthaya 2026 became a memorable celebration of the New Year, bringing batch mates and

seniors together to share the joy, traditions, and warmth of the festive season.
