REQUEST FOR EXPRESSION OF INTEREST

PREPARATION OF ANIMATED EXPLAINER VIDEO

AHEAD/RA3/RIC/SUSL/FOG/ OVAA/34

The Democratic Socialist Republic of Sri Lanka has received a credit/grant (6026-LK/8743-LK) from the World Bank toward the cost of the Accelerating Higher Education Expansion and Development (AHEAD) Operation.

AHEAD has three Results Areas:

Results Area 1: Increasing Enrollment in Priority Disciplines for Economic Development

Results Area 2: Improving the Quality of Higher Education

Results Area 3: Promoting Research, Development and Innovation

The project InfoBhoomi, funded under AHEAD RIC grants, focuses on the development of localized Spatial Data Infrastructure (SDI) for supporting local governance processes. Local Government Authorities (LAs) are the primary tier of the governance system of Sri Lanka. LAs are responsible for the administration and regulation of matters relating to public health, utility services, thoroughfares, etc. Yet, efficient delivery of public services by LAs is hindered due to weak capacity and limited resource availability. National Policy on Local Government 1632/26, 2009 aims to facilitate the transformation of LAs to effectively lead local development contributing to achieving national goals. Local data management for evidence-based decision-making is a core aspect of this transformation.

The AHEAD Project Procurement Committee on behalf of the Sabaragamuwa University of Sri Lanka now invites the eligible applicants to indicate their interest in providing the service of preparation of an animated explainer video. The expected service is attached to the TOR. Interested applicants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills, etc.)
