Subject Area: Livestock Production

Department of Export Agriculture

- Post :** Temporary Research Assistant - (01 No.)
Subject Area: Agricultural Sciences
Qualifications: Candidates must be qualified with BSc (Hons.)/(Sp.) degree in Agricultural Sciences.
Special Note : Preferences will be given to candidates with good communication skills and research experiences.

FACULTY OF APPLIED SCIENCE

Dean's Office

- Post :** Temporary Research Assistant - (01 No.)
Qualifications: Candidates must be qualified with BSc (Hons.)/(Sp.) degree in Science / Applied Sciences.
Special Note : Preferences will be given to candidates who possess;
i. post graduate qualifications in above discipline.
ii. prior experience in research projects/data analysis.
iii. research, analytical and communication skills.

Department of Physical Sciences & Technology

- i. Post :** Senior Lecturer Gr. I / Senior Lecturer Gr. II / Lecturer (Unconfirmed) / Lecturer (Probationary) in Computer Sciences & Technology - (02 Nos.)
Subject Area: Computer Science & Technology
Qualifications: Candidates must be qualified with BSc (Hons.)/(Sp.) degree in Computer Science & Technology/Computer Science.
Special Notes : Preference will be given to candidates who possess;
i. postgraduate qualifications in the above discipline.
ii. academic work / professional experiences in the following fields ;
a. Multimedia and Hypermedia Systems Development, Software Project Management, Software Quality Assurance, Object Oriented Analysis and Design, Agile Software Development, Optical Fiber & Telecommunication.
b. Artificial Neural Networks, Digital Image Processing, Data Mining and Practical Machine Learning, Human Computer Interactions, Data Communication and Computer Networks, Mobile Computing, Computer Graphics & Applications, Semantic Web, Bioinformatics, High Performance Computing, Computer System Security, Advanced Computer Networks, Distributed Systems, Computer Vision, Embedded Systems, Fuzzy Logic, Robotics, Data Acquisition and Signal Processing.

- ii. Post :** Senior Lecturer Gr. I / Senior Lecturer Gr. II / Lecturer (Unconfirmed) / Lecturer (Probationary) in Applied Physics - (01 No.)
Subject Area: Applied Physics
Qualifications: Candidates must be qualified with BSc(Hons.)/(Sp.) in Applied Physics / Physics.
Special Notes : Preference will be given to candidates who possess;
i. postgraduate qualifications in the above discipline.
ii. academic work / professional experiences in the following fields ;
Semi-Conductor Physics, Quantum Physics, Optical Fiber & Telecommunication, Computational Physics, Robotics, Remote Sensing & GIS, Geophysics, Advanced Laser Physics, Data Acquisition and Signal Processing Methods, Automation.

- iii. Post :** Temporary Assistant Lecturer in Chemical Technology - (01 No.)
Subject Area: Chemistry
Qualifications: Candidates must be qualified with BSc. (Hons.)/(Sp.) degree in Chemical Technology / Chemistry.
Special Notes : Preference will be given to candidates who possess;
i. postgraduate qualifications in the above discipline.
ii. academic work / professional experiences in the following fields ;
Organic Chemistry, Inorganic Chemistry, Industrial Chemistry, Physical Chemistry, Computational Chemistry, Biochemistry, Biotechnology and Advanced Chemistry Laboratory.

- iv. Post :** Temporary Assistant Lecturer in Computer Science - (01 No.)
Subject Area: Computer Science
Qualifications: Candidates must be qualified with BSc. (Hons.)/(Sp.) degree in Computer Science & Technology / Computer Science.
Special Notes : Preference will be given to candidates who possess;
i. postgraduate qualifications in the above discipline
ii. academic work / professional experiences in the following fields ;
Artificial Neural Networks, Digital Image Processing, Data Mining and Practical Machine Learning, Human Computer Interactions, Data Communication

and Computer Networks, Mobile Computing, Computer Graphics & Applications, Semantic Web, Bioinformatics, High Performance Computing, Computer System Security, Advanced Computer Networks, Distributed Systems, Computer Vision, Embedded Systems, Fuzzy Logic, Robotics, Data Acquisition and Signal Processing.

Department of Food Science & Technology

- Post :** Senior Lecturer Gr. I / Senior Lecturer Gr. II / Lecturer (Unconfirmed)/Lecturer (Probationary) in Food Science and Technology - (01 No.)
Subject Area: Food Science & Technology
Qualifications: Candidates must be qualified with BSc. (Hons.)/(Sp.) degree in Food Science & Technology or related discipline.
Special Notes : Preference will be given to the candidates who possess;
i. postgraduate qualifications in above discipline
ii. professional qualifications or experiences in relevant field.

Department of Sports Sciences & Physical Education

- i. Post :** Senior Lecturer Gr. I / Senior Lecturer Gr. II / Lecturer (Unconfirmed)/ Lecturer (Probationary) in Sports Management - (01 No.)
Subject Area: Sports Management and Statistical modeling (or Sports Analytics)
Qualifications: Candidates must be qualified with BSc. (Hons.)/(Sp.) degree in Sports Sciences and Management.
Special Notes : Preference will be given to candidates who possess;
i. postgraduate qualifications in Statistics for Sports Analytics
ii. ability to teach Basic Sciences
iii. one-year teaching experience for undergraduates in two degree programs: B.Sc (Hons.) in Sports Sciences and Management and B.Sc. (Hons.) in Physical Education.
Candidates who followed courses in Baseball, Rugby, Hockey, Gymnastics and Volleyball in their basic degree will be preferably considered.

- ii. Post :** Temporary Assistant Lecturer - (01 No.)
Subject Area: First Aid and Kinesiology
Qualifications: Candidates must be qualified with BSc. (Hons.)/(Sp.) degree in Physiotherapy.
Special Notes : Teaching experience for undergraduates in two degree programs: B.Sc (Hons.) in Sports Sciences and Management and B.Sc. (Hons.) in Physical Education is compulsory.

- iii. Post :** Temporary Assistant Lecturer - (01 No.)
Subject Area: Sports Nutrition and Exercise Biochemistry
Qualifications: Candidates must be qualified with BSc. (Hons.)/(Sp.) degree in Food Science and Nutrition
Special Notes : Teaching experience for undergraduates is preferred..

- iv. Post :** Temporary Assistant Lecturer - (01 No.)
Subject Area: Practicum
Qualifications: Candidates must be qualified with BSc. (Hons.)/(Sp.) degree in Physical Education / Sports Science & Management.
Special Notes : Candidates who followed courses in Baseball, Rugby, Hockey, Gymnastics and Volleyball in their basic degree will be preferably considered.
Teaching experience for undergraduates in two degree programs: B.Sc (Hons) in Sport Sciences and Management and B.Sc. (Hons.) in Physical Education is compulsory.

FACULTY OF GRADUATE STUDIES

- Post :** Temporary Research Assistant - (01 No.)
Qualifications: Candidates must be qualified with BSc (Hons.) / (Sp.) degree in Agriculture or Sciences.

i. postgraduate qualifications in the above discipline.
ii. experience in providing assistance in managing postgraduate degree programs, coordinating research activities or managing research conferences.
iii. proficiency in written and spoken English and strong ICT skills.

FACULTY OF COMPUTING

Department of Computing and Information Systems

- Post :** Senior Lecturer Gr. I / Senior Lecturer Gr. II / Lecturer (Unconfirmed) / Lecturer (Probationary) in Statistics - (01 No.)
Subject Area: Statistics
Qualifications: Candidates must be qualified with BSc (Hons.)/(Sp.) degree in Statistics / Applied Statistics.
Special Notes : Preference will be given to candidates who possess;
i. postgraduate qualifications in the relevant discipline.
ii. expertise in statistical software and programming such as SPSS, R, Python, survey design and analysis, Bayesian statistics, computational modeling, predictive analytics, and econometrics, proven strength in statistical modeling, advanced data analysis, and computational statistics.

FACULTY OF GEOMATICS

Department of Surveying and Geodesy

- i. Post :** Senior Lecturer Gr. I / Senior Lecturer Gr. II / Lecturer (Unconfirmed) / Lecturer (Probationary) in Land Surveying and Hydrographic Surveying - (01 No.)
Subject Area: Land Surveying and Hydrographic Surveying
Qualifications: Candidates must be qualified with BSc. (Hons.) / (Sp.) degree in Surveying Sciences.
Special Notes : Preference will be given to candidates who possess;
i. postgraduate qualifications in above subject area.
ii. qualification in Hydrographic Surveying Category A certificate.
iii. professional/academic/teaching experience in Hydrographic Practical, Seamanship and Navigation, Law of the sea, Hydrographic Data Management, Oceanography and Marine Meteorology and all Land Surveying subjects in the degree program (eg. Land Surveying practical, Survey camp, GNSS).
iv. Experience in undergraduate student research supervision is desirable.
v. Work/ research experience in the above mentioned subject areas are advantageous.

- ii. Post :** Senior Lecturer Gr. I / Senior Lecturer Gr. II / Lecturer (Unconfirmed) / Lecturer (Probationary) in Land Surveying and Land Management - (01 No.)
Subject Area: Land Surveying and Land Management

Qualifications: Candidates must be qualified with BSc. (Hons.) / (Sp.) degree in Surveying Sciences.
Special Note : Preference will be given to candidates who possess;
i. postgraduate qualifications in the above subject area.
ii. qualification in Hydrographic Surveying Category A certificate.
iii. professional/academic/teaching experience in Land Administration, Cadastre, Land Law, Land Management, Advanced Environmental Information Survey Engineering, Disaster Prevention Engineering, Urban Planning, Geotechnical Engineering and all Land Surveying subjects in the degree program (eg. Land Surveying practical, Survey camp, GNSS).
iv. Experience in undergraduate student research supervision is desirable.
v. Work / research experience in the above mentioned subject areas are advantageous.

- iii. Post :** Temporary Assistant Lecturer - (10 Nos.)
Subject Area: Surveying Sciences

Qualifications: Candidates must be qualified with BSc. (Hons.)/(Sp.) degree in Surveying Sciences.
Special Note : Preference will be given to candidates who possess; experience with work and / or research in Surveying and Geodesy, Hydrographic Surveying, Land Management.

- iv. Post :** Temporary Assistant Lecturer in English - (01 No.)
Subject Area: English

Qualifications: Candidates must be qualified with BA (Hons.)/(Sp.) in English/ TESL.

Department of Remote Sensing and GIS

- i. Post :** Senior Lecturer Gr. I / Senior Lecturer Gr. II / Lecturer (Unconfirmed) / Lecturer (Probationary) in Geographical Information Systems - (01 No.)
Subject Areas : GIS related subjects
Qualifications: Candidates must be qualified with BSc. (Hons.)/(Sp.) degree in Surveying Sciences in GIS.
Special Note : Preference will be given to candidates who possess;
i. postgraduate qualifications in the relevant subject areas.
ii. professional qualifications / research / industry experiences in GIS.

- ii. Post :** Senior Lecturer Gr. I / Senior Lecturer Gr. II / Lecturer (Unconfirmed) / Lecturer (Probationary) in Remote Sensing - (01 No.)
Subject Areas : Remote Sensing related subjects
Qualifications: Candidates must be qualified with BSc. (Hons.)/(Sp.) degree in Surveying Sciences in Remote Sensing.

Special Note : Preference will be given to candidates who possess;
i. postgraduate qualifications in the relevant subject areas.
ii. professional qualifications / research / industry experiences in Remote Sensing.

- iii. Post :** Senior Lecturer Gr. I / Senior Lecturer Gr. II / Lecturer (Unconfirmed) / Lecturer (Probationary) in Physics - (01 No.)
Subject Areas : Physics related subjects

Qualifications: Candidates must be qualified with BSc. (Hons.) / (Sp.) degree in Physics
Special Note : Preference will be given to candidates who possess;
i. postgraduate qualifications in the relevant subject areas.
ii. professional qualifications / research / industry experiences in Physics.

- iv. Post :** Temporary Assistant Lecturer in English - (01 No.)
Subject Area: English

Qualifications: Candidates must be qualified with BA (Hons.)/(Sp.) in English / TESL

- v. Post :** Temporary Assistant Lecturer in Photogrammetry and Remote Sensing - (01 No.)
Subject Area: Photogrammetry and Remote Sensing

Qualifications: Candidates must be qualified with BSc. (Hons.) / (Sp.) degree in Surveying Sciences in Remote Sensing

- vi. Post :** Temporary Assistant Lecturer in Cartography and GIS - (01 No.)
Subject Area: Cartography and GIS

Qualifications: Candidates must be qualified with BSc. (Hons.) / (Sp.) degree in Surveying Sciences in GIS

- vii. Post :** Temporary Assistant Lecturer in Physics - (01 No.)
Subject Area: Physics

Qualifications: Candidates must be qualified with BSc. (Hons.) / (Sp.) degree in Physics

FACULTY OF MANAGEMENT STUDIES

Department of Accountancy and Finance

- Post :** Senior Professor / Professor of Finance (Chair) - (01 No.)
Subject Area: Finance

Department of Business Management

- Post :** Senior Professor / Professor of Business Management (Chair) - (01 No.)
Subject Area: Business Management

Department of Marketing Management

- Post :** Senior Professor / Professor of Marketing Management (Chair) - (01 No.)
Subject Area: Marketing Management

Department of Tourism Management

- i. Post :** Senior Professor/Professor (Chair) - (01 No.)
Subject Area: Tourism Management/Hospitality Management/Eco Business Management

- ii. Post :** Temporary Assistant Lecturer in Hospitality Management - (01 No.)
Subject Area: Hospitality Management

Qualifications: Candidates must be qualified with B.Sc. (Hons.) / (Sp.) in Hospitality Management

- iii. Post :** Temporary Assistant Lecturer in Tourism Management - (01 No.)
Subject Area: Tourism Management

Qualifications: Candidates must be qualified with B.Sc. (Hons.) / (Sp.) in Tourism Management
